Guaranteed Analysis

Soluble Potash (K₂O)..... 30%

Derived Potassium carbonate and potassium hydroxide

GENERAL INFORMATION

P-Finisher is a concentrated mixture of potassium fertilizer. It is a high pH fertilizer, which is designed as a late season foliar application to specific varieties of potatoes only.

DIRECTIONS FOR USE

Mixing Directions - Be sure spray tank is thoroughly cleaned, fill 1/2 full with clean water, add product and continue filling with agitation. Always add this product to tank before adding pesticides.

Compatibility - P-Finisher is recommended to be applied by itself. It is a high pH fertilizer that is not compatible with most other fertilizers.

Applications - P-Finisher can be applied by ground equipment or air. USE at least 15-25 gallons/acre of water carrier.

Dilution and Spray Volumes - Always use enough water for uniform application and to prevent possible plant tissue damage to the intended crop from concentrated droplets.

Containers - Triple Rinse. Dispose of containers only in a manner approved by local and state authorities.

SUGGESTED APPLICATIONS

THIS PRODUCT WILL CAUSE SEVERE CROP DAMAGE WHEN APPLIED INCORRECTLY or TO THE WRONG CROP. We strongly recommend that this product is used with the advice of a qualified crop nutrient consultant.

RATES

Apply P-Finisher at 2 to 8 quarts per acre as a predetermined % solution foliar. Final application rate should only be determined by spraying a small plot with a hand sprayer first!

Mix desired %-solution (5-12%), spray plot and wait 1-2 days. Take the rate with the desired amount of foliar effect, decrease by 0.5%. Use this rate for the whole field

The product is usually applied at 5-8% solution (5-8 gallons per hundred gallons). It is recommended to use at least 20 gallons per acre.

CONDITIONS OF SALE

Seller and/or manufacturer warrants only that this product consists of the ingredients specified on this label. No one is hereby authorized to make any warranty and/or guarantee concerning the use of this product. Being that the use, timing, placement, rate, application and other conditions are beyond the control of the seller and/or manufacturer, the seller's and/or manufacturer's liability for handling, storage and use of this product is limited to replacement of product or refund of purchase price.
